Students moving forward through explicit teaching

Our Early Stage 1 and Stage 1 students are showing they have what it takes when it comes to reading and writing. The L3 program explicitly teaches the skills needed to grow into students with the skills needed to learn in every subject.

Student Leadership Team Speeches

Congratulations to all the students who gave their student leadership speeches on Monday during assembly. You did a fabulous job.

Healthy Eating is a way of life

Our Canteen has worked extremely hard to produce a range of healthy and nutritious food choices for our students and it’s being noticed. Well done, Ladies!
Maths Games can be so much fun

Who would have thought that you could learn so much while playing games. This week in the Autism classes, we were learning how to count forwards and backwards and to identify numerals.

Genius Hour Where Passions Come Alive

Personalised learning is coming alive in our Year 6 classroom. During Genius Hour students of all levels are empowered to explore topics that they are passionate about. Students formulate a question and use an hour a week in class to research their topic and prepare a presentation. Each student will share their Genius Projects with a small group, the class, the school or even the whole world. Genius Hour develops a culture of collaboration in an interactive learning environment. It encourages creative, innovative thinking and inventiveness.

6C are excited to embark on this new learning adventure that will develop their creativity, problem solving skills and critical thinking. What’s your passion?

Excellent Library borrowing

We enjoyed a lovely reward this week, having lunch on our library balcony with Mrs. Gilchrist because every student borrowed books from the Library. Well done everyone. We are using our Library books to write book reviews and we are thinking about why we enjoyed the book and who we would recommend should need it.
Celebrating our Success  
Positive Behaviours for Learning

Class of the Week 3/4B

Student of the Week
Hume Kira-Lee
Meehan Jayden
Oxley Mia

Circus Ticket Winners
Lexy, Kelvin, Ella, Chloe

House Competition Winner
Hume

Citizenship Awards
Jasmeen Level 5

**This week’s Specials—Friday 6th November**

Salad box (with either Chicken/Ham/Tuna) + Bottled Water + Ice Block…….$6.00

**Grandparent’s Day Picnic**

Everyone had a fabulous day yesterday at our annual Grandparent’s Day Picnic. The students had a fabulous time having a picnic lunch with their guests.

The weather didn’t spoil the fun with lots of grandparents checking out classrooms, buying healthy food from the canteen and playing games under the COLA.

Thanks for making the day such a special one.
