Principal’s Message

Cross Country
Our Cross Country Carnival will be held TOMORROW Thursday 2nd April at Wollondilly P.S. We will be sharing this event with Goulburn West.

If your child turns 8 this year, they will be eligible to compete. Students will need to wear their sports uniform and bring a hat, their recess, a drink, a jumper and wear their running shoes. This event will be run during school time (the bus leaves at 9.30am and the children will return by 1pm approximately.) Parents are welcome to come and watch. You will need to enter the school grounds via the back gate on View Street.

Easter Hat Parade
Tomorrow afternoon (Thursday 2nd April) our school will be holding its annual Easter Hat Parade. It will be held in the school hall and will start at 2.15pm. We hope you have finished making your Easter Hat, so that it is ready for this fantastic day.

P & C Annual General Meeting (AGM)
Our Annual General Meeting for the P & C was postponed because we did not have enough people to fill executive positions. We will be holding the new meeting on Wednesday 29th April at 6pm in the staff room.

If we do not get enough people to fill the executive positions at this meeting our P & C will be disbanded on 28th July 2015. All of the money in the bank account will be given to schools close to us, we will no longer have fund raising for school excursions or classroom resources. Presentation Night prizes and our canteen will not operate. If is very important that we get some new faces to fill the required positions as our school relies heavily on donations from our P & C.

What’s happening in Group KM

Kindergarten have continued to work on letter and sound identification this week. We have been practising our sight words to help us with our reading.

In Maths, our focus is subtraction. We will continue to practise our numeral identification and counting also.

The Easter Hat Parade is tomorrow at 2.15pm in the school hall. I look forward to seeing all the fantastic hats.

As Kindergartens first term at school draws to a close, I would like to take this opportunity to wish you all a happy and safe Easter break.

Mr McQuillan will return in term 2.

What’s happening in Group 3/4B

Wow! What a busy and productive term 3/4B have had. Apart from all the many whole school activities and special days, 3/4B have: established our routines, got to know each other, set up literacy and maths groups, set up our ipads, created classroom rules and expectations, covered our own work books, fine-tuned the classroom set up and completed a whole lot of teaching and learning activities producing many results to be proud of. All children seem happy, are working well, trying hard and making progress. I look forward to term 2.

May you all have a wonderful Easter and a safe and restful school holidays.

Mrs Barnes

What’s happening in Group K-6B

We have had a very productive term in Year 6. Please enjoy a safe and restful holiday.

These holidays are a fantastic opportunity for Year 6 students to prepare for Peer Support. The program begins next term and each leader needs to organise a folder, a ruled sheet with positives and consequences and rewards for group members. Happy planning and keep up your reading over the break.

Mrs Copland

What’s happening in Group 4/5L

It has been a busy term. Thank you for the support you have given to the children. I hope they have a safe and happy Easter holiday. I hope to see some parents at the Easter Hat Parade tomorrow afternoon.

If your children become bores in the holidays, you might consider becoming members of the town library and borrow some Premier’s Reading Challenge books.

Bunnings BBQ

The P & C will be having a BBQ at Bunnings on Sunday 26th April from 8.30am-4pm. We would appreciate volunteers to help us on the day. If you are able to help, please ring the school and leave your name and number and what time you would be available.

The Enviro Club

The chooks have moved out of the “West Wing” into the “East Wing” thanks to all the hard work that our students did on Wednesday.

The last of the tomatoes and capsicum were harvested, the lettuce transplanted, the tomato ties and stakes removed before the girls were let into scratch around in the veggie patch.

We measured 18mm rain in the veggie patch.

Free Dentistry for Children

Parents can access up to $1000 for their children’s dental work over 2 years. It covers a variety of services including examination, x-rays, cleaning, fissure sealing, fillings, root canals and extractions.

It’s for children between 2 and 17 years old who are eligible for Medicare and who are part of a family that receives Family Tax Benefit A.

What’s happening in the Library

Our library is ready for our new carpet to go down during the holidays. The children will have a clean, fresh environment to sit and read in after the holidays.

All library books will be overdue after the holidays, so I hope all children return their books early in the term and are ready to enjoy our ‘new look’ library.
