Last Friday we had our first Dance 2b Fit class, everyone seemed to enjoy it a great deal. If your child hasn’t yet paid, please send in $15 and the signed permission note by this Friday 24th July.

Next Monday we will be having the ‘NED Show’ which is free and aims to promote positive attitudes and encourage people to always to their best.

What’s happening in Group 2/3M

We have really been enjoying doing fitness with K-6M and K-6B. Every student is improving with kicking and dribbling a soccer ball.

We have been focusing on producing high quality work and book standards. I am impressed with the effort everyone is putting in.

Don’t forget to spend time each evening listening to your child read and asking them to summarise what they have read.

Homework is due on Friday.

Mrs Manning

What’s happening in Group 3/4B

This week in Maths 3/4B is exploring ‘Angles’ in our environment and in shapes and how angles can be acute, obtuse or right angled. In Writing this week, we will be writing a Procedure for ‘How to Make a Stress Ball’.

I have been on a Professional Learning Course over the last 2 days, focusing on how best to teach children to read texts and understand the information that is presented to them in a variety of ways. I look forward to implementing this into the classroom.

Mrs Barnes

Dance 2b Fit was an excellent, fast-paced session which tested the kids memorising skills. They learnt a whole dance routine made up of many sequences in one session.

In Literacy groups we have been reading The Deliverance of Dancing Bears and using our new Maths ‘Envision’ textbooks for Volume activities.

Mrs Leten

What’s happening in Group 4/5L

Dance 2b Fit was great last week! Everyone should be very proud of their effort. It is on again this Friday and we are looking forward to having dancing for the rest of the term.

In Maths we are continuing to learn about Fractions and Decimals. Maths groups are continuing and this week our focus is the number before and the number after.

Please remember to bring your library books on Wednesday.

Student of the week is Xander, well done!

Miss Bosevski

What’s happening in Group 5/6C

Year 6 enjoyed an investigative Science lesson today. As part of our ‘Change Detectives’ Unit, students had to observe a ‘crime scene’ and determine what changes had occurred—there was frozen milk, dissolved salt, burnt chocolate, melted wax, coloured water, melting ice blocks etc. Year 6 had fun photographing and sketching the scenes and then determining whether the changes they’d observed could be reversed.

I hope the kids are madly rehearsing their cup routine—sorry parents!

Have you paid for Camp? Ordered your Year 6 Shirt and paid for Dance 2b Fit?

Mrs Copland

What’s happening in Group 6C

Well done to all those who came to our first music lesson in 2/3M. Everyone was on their best behavior and listened to Mrs McDade.

Dance 2b Fit will be on again this Friday, everyone participated and had a fun time. We are looking forward to having it for the rest of the term.

In Maths groups we have started looking at Time. We are getting new books for Literacy, so there will be old books coming home.

Student of the week is Ty.

**Canteen Volunteers**

We need **volunteers to help in the canteen**—can you spare an hour or two, any day, Monday to Friday (between 9.30am—12.30pm)? If so, either call into the canteen and leave your details or a message at the office.

**Peer Support**

We continued our Peer Support sessions this week with a new module *Being Positive* which focuses on optimism.

The experiences presented in the module help young people develop skills to approach life optimistically and to develop resilience when faced with challenges. In this session each group reviewed their group agreements so they can keep working well together.

Children practised ways of communicating ideas effectively and discussed the qualities found within a good friend. You might like to discuss with your child what they can do this week to practise being a good friend.

**Runners’ Club**

Dust the cobwebs off your running shoes!!!

Runners’ Club will be starting from week 4.

We aim to put as many students into The Goulburn Fun run in October, as we do every year.

Keep an eye out for our next update.
