Week 8
2nd September
2015
What’s happening in Group KM

I’m sure the class really enjoyed performing today. I know they were looking forward to the concert and showing off some of their new skills.

I will be away for the next week, so the class will be in the hands of Miss Gay.

Please remember the new sunglasses which are available for a cost of $5.00. The school is subsidising the cost of these glasses which are priced at $5.

Mr McQuillan

What’s happening in Group 1M

Year 1 were so excited about our concert item today. They did a great job. Thank you to all the parents who came along to watch.

We have been working hard on what makes a great friend and enjoying the text “Have You Filled A Bucket Today?” This book is about kindness and how to show kindness. Remember to keep reading.

Mrs Manning

What’s happening in Group 2/3M

Well done to the whole class for putting such a wonderful effort into performing today. I am very proud of you.

Don’t forget we have the Fathers’ Day Stall tomorrow and Footy Colours Day on Friday. We hope our Year 3 students have an amazing time on camp next week—we can’t wait to hear all about your adventures.

Mrs McDade

What’s happening in Group 3/4B

This week 3/4B is beginning a Maths unit on Data, Graphs and Chance. We will be looking at ways to collect data, use and draw graphs and predict and compare outcomes. We are looking at discussions and debates in Literacy, beginning with the topic, ‘Technology devices should be banned for children’.

Our Brave heart blogger, Kenny Mac, has completed his solo ride from Darwin to Broome—an amazing effort of cycling, 1900km in 21 days.

3/4B is busy organising for our White Balloon Day on Wednesday 16th September (Week 10), where we will be selling ice-cream cones and bookmarks to raise money for Brave hearts. We are counting down the days to camp!!!

Mrs Barnes

What’s happening in Group 4/5L

Group 4/5L looked fabulous on stage and had a great time dancing for Book Week Concert.

Camp is on next week for Stage 2 & 3, so make sure that you organise yourselves by labelling all clothes and items with a name.

Children not attending camp are expected to attend school. A note was sent home today.

Mrs Leten

What’s happening in Group 5–6B

Monday’s assembly item was a success, well done every one.

Our Book Week Concert was lots of fun today, everyone should be very proud of themselves.

Remember Thursday is our Fathers’ Day Stall. Gifts are all $4 each.

This Friday is ‘Wear Footy Colours’ to support Cancer. If you would like to participate, please wear your favourite team’s colours and bring a gold coin donation.

Miss Bosevski

What’s happening in Group 6C

Year 6 really enjoyed performing today at their last school concert.

Tomorrow all of Year 6 will resit their Year 6 ‘muck-up’ photo. Students should wear full school uniform and take extra care with their appearance—just like they did on photo day.

Camp is on next week. Make sure everything is labelled clearly. Students must be at school at 6am on Monday 7th September.

Students who are not attending camp must still attend school.

Mrs Copland

What’s happening in Group K-6B

Well done to everyone for getting up and have a go at today’s concert, you did a fantastic job. Tomorrow is our Fathers’ Day Stall and gifts are all $4 each.

Just a reminder that next week I will be away on the Years 5/6 Camp and Miss Bushell will be on class. Routines should stay as close to normal as possible to make it easier for the children. I hope everyone has a fantastic week.

SPACEXpo notes went home Tuesday for Year K-2 students. Please bring them back as soon as possible, so we can work out numbers attending.

Ms Martin
**What’s happening in the Library**

Thank you for welcoming me to the library and for so many helpful and co-operative students.

Year 5/6 students are working on the Australian Identity and enjoyed reading and listening to many Australian ballads.

Year 4 students are looking into the many different religions in the Australian community.

**The Enviro Club**

Last Wednesday was too wet to be in the veggie patch. Mrs Johnson harvested our spinach and lettuce and washed all the dirt off them.

Some students were then able to make ‘green wraps’ in the cooking area between K-6M and K-6B—thank you for allowing the students to use this area during Move and Groove.

The students enjoyed eating them. We used the recipe off ‘Let’s Go Green’ website, but used cream cheese rather than avocado—try them at home, as they were very popular.
